## **OUTREACH ACTIVITIES**

In September 2020, Blackleggs Creek Watershed Association received notice that they were awarded a WCAP grant for this round. In January 2021, Blackleggs received notice from PA DEP that they were awarded a Growing Greener Grant, which is matched by the WCAP grant. In February 2021, we began organizing contract paperwork for contractors. In March 2021, we drafted a final report for the previous Growing Greener grant and conducted monitoring. In April 2021, we updated documents submitted to the Grants Center for the contract.

I am participating in the SW PA Water Network hosted by the Heinz Foundation. In February 2021, I participated in 1 meeting with the larger group and 1 meeting with my subcommittee. In March 2021, I participated in 2 meetings with my subcommittee. In March 2021, I participated in 1 meeting with my subcommittee.

Three AMPs were distributed in April 2021 including one for an AMR workshop, one to remember Louise Dunlap, and one as a reminder for the WPCAMR quarterly board meeting.

## **PA AMR CONFERENCE**

### **2021 PA AMR Conference**

The 2021 PA AMR Conference will be held virtually, October 27-28, 2021 via the Whova platform. In February 2021, the planning committee met once to finalize a theme, begin planning presentations, and work through other details. I scheduled filming days for the virtual tour presentations. In March 2021, the planning committee met once to continue planning presentations, and work through other details. I scheduled filming days for the virtual tour presentations, updated the presentation RFP, updated the sponsorship letters, and organized the Mayfly nominee bios. In April 2021, I conducted many days of video filming for virtual tours.

## **PA AML CAMPAIGN**

In February 2021, I attended four PA AML Campaign meetings and took notes for each. I continued to edit the second round of campaign videos. I also attended a logo committee meeting and held a meeting with a grad student that is working with the Blue Green Alliance and is doing research on public participation's influence on AMR. I attended one day of the NAAMLPL winter business meeting and gave the update for the PA AML Campaign.

In March 2021, I attended four PA AML Campaign meetings and took notes for each. I continued to edit the second round of campaign videos.

In April 2021, I attended 5 PA AML Campaign meetings and took notes for each. I continued to edit the second round of campaign videos.

## **ARIPPA AWARD**

No new activity to report.

## **GOOD SAMARITAN**

No new activity to report

## **VIDEO WORK**

In February 2021, I continued working on scripts for the three videos needed for our current 319 contract. I scheduled filming days for all three videos. In March 2021, I continued working on scripts for the three videos needed for our current 319 contract. In April 2021, I continued working on scripts for the three videos needed for our current 319 contract. I conducted filming days for the two remaining videos.

- Video 1: assessing stream conditions before and after reclamation
- Video 2: economic benefits of AML reclamation: COMPLETED
- Video 3: about conservation districts in the region paying special attention to watershed specialist positions and how they've furthered reclamation in the state
